

## **Diocese of Motherwell External Safeguarding Audit**

In a few week's time the Safeguarding structures of the Diocese are due to be externally audited by Social Care Institute for Excellence (SCIE). The independent team want to hear from individuals with first- hand experience of how people in diocesan roles have responded, or failed to respond to disclosures of abuse or sharing of concerns.

Anyone who wishes to take part can contact SCIE directly on the email and mobile number below.

Contact details:

If you feel able to contribute, please contact SCIE directly:

By email on [learningtogether@scie.org.uk](mailto:learningtogether@scie.org.uk)

By phone on 07921 251614

SCIE will then get in touch to arrange a time at your convenience to meet remotely with the auditors

Alternatively, below is a very short, anonymous, questionnaire created by the SCIE auditing team, they are keen to gather feedback at a parish level about Safeguarding within the Diocese, please take a few minutes to provide feedback. The information goes straight to the auditing team, not the Diocese.
